Our Process

Requirement Gathering:
We begin with an in-person meeting to understand your needs and document every detail clearly.

Design Finalisation:
We start with 2D layouts, move to moodboards, and then create 3D designs with full visualisation.

Agreement & Advances:
Project terms are agreed upon, documents are signed, and initial advances are processed.

Site Visit:
Our team visits the location to assess site conditions, measurements, and overall project feasibility.

Techno-commercial Proposal:
A detailed BOQ with item-wise costing is shared for your review, discussion, and approval.

Site Mobilisation:
A kickoff meeting with leadership, followed by on-ground mobilisation to start the project smoothly.

Sub: LETTER OF APPRECIATION FOR INTERIOR & MEP WORK

Dear Mr Brijesh Mishra,

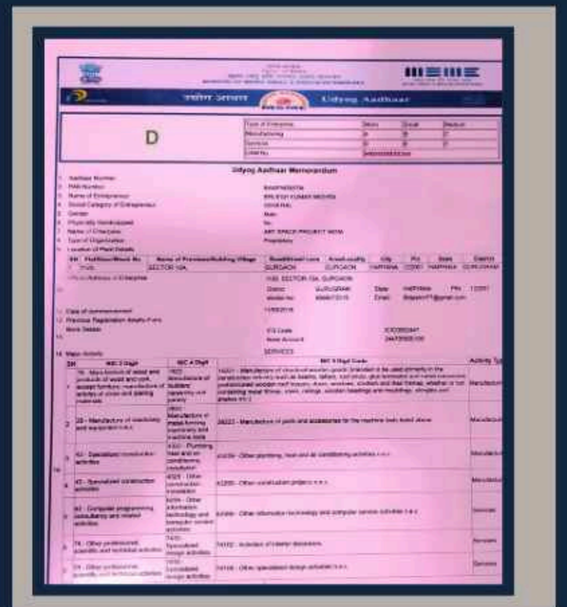

We would like to express our sincere appreciation for the Turnkey Interior & IT work executed for our "MULBERRY TOWER" project at Plot no. 90 D, Sector-18, Udyog Vihar, Gurgaon, Haryana. Your full support in carrying out the project diligently, efficiently and with a sense of dedication are appreciable and commendable. You were also quick to resolve all issues that arose at the site from time to time. Your self-motivation, commitment and diligence are an inspiration for your team.

We truly appreciate all that you have done and look forward to continuing this relationship besides recommending your company for future projects.

Yours truly,

For Mulberry Projects Pvt. Ltd.
